FOOTBALL PRE PARTICIPATION ELIGIBILITY INFORMATION

FOR FOOTBALL ONLY

Fifteen days prior to the eligibility date, a coach may petition their school administration to apply for permission for an ineligible player to gain pre-eligibility practice status in order for the football player to meet the ten day practice requirement.

School Administration (principal, athletic director and registrar) will use the school/school district criteria for determining eligibility. If the student athlete is determined to be eligible, the Principal of the school may grant the student athlete practice eligibility.

The student athlete could only be granted eligibility to practice to fulfill their ten day requirement for practice. The school is not allowed to issue the student a jersey, participate in games or be on the sidelines as a member of the team.

On the actual date of eligibility for the school, the student athlete would then receive full eligibility with all rights and privileges.

501 GOVERNING BODY

United States Golf Association is the governing authority in golf. The State CIF, NCS, or the MCAL may make modifications to the USGA rules.

502 GENERAL INFORMATION

1. Girls golf shall be a fall sport. Boys golf shall be a spring sport.
2. MCAL golf is based on a complete double round robin schedule, sixteen (16) matches for girls and eighteen (18) matches for boys as defined by NCS and approved by a majority of the coaches. (5/30/07)
3. Matches may be played any day of the week, Monday-Friday, subject to course availability.
4. MCAL golf matches will be scheduled to start no later than 3:00-4:00 depending on season of sport.
5. If the coach or coaches must leave due to an emergency, the match will be suspended and must be replayed.
6. Cancelled or suspended matches must be rescheduled or completed on the next date available to both teams.
7. No match may begin unless both coaches are present.
8. Inclement weather: Home teams will be responsible for canceling matches due to inclement weather. Matches must be cancelled by 1:00. Coaches and athletic directors of teams affected need to be notified.
9. MCAL golf has adopted a code of conduct for all golfers as noted in 505.12.

503 OFFICIALS

Golf is a self-officiated sport.

504 ADMISSION

Admission may be charged at any MCAL contest although it is not customary to charge admission for golf matches.

505 LEAGUE RULES AND GUIDELINES

1. Any practice on the golf course before the match is strictly prohibited.
2. Use of the course driving range by team members competing in the match is prohibited unless agreed to by both coaches. Practice squad players can use the driving range.
3. Only the course practice putting green may be used for putting or chipping (if allowed).

4. The coach of the home team determines whether to “lift, clean and place” or play “the ball down”. The home team coach is responsible for explaining any “local rules” of the home course. (4/30/06)
5. No spectators will be allowed on the course unless agreed upon by both coaches and the course manager. If spectators are allowed they must stay on cart paths, remaining no closer than 30 yards from the players at all times, and may not communicate in any way with any player or coach regarding rules.
6. Players and coaches must wear collared shirts. Shirts are to be tucked in at all times. Shorts must meet the course requirements. Players are not allowed to wear blue jeans in any competition. Caps must be worn with the bill forward. Face and body paint are not allowed. No scarves, do-rags, headbands, or any other attire deemed inappropriate by the host coach may be worn. Golf shoes or tennis shoes must be worn.
7. A. For boy’s season of sport: All matches will be played in “stroke” format, scoring the lowest 5 of 6 scores recorded for each team. Teams may play with only five players.
B. For girl’s season of sport: All matches will be played in “stroke” format, scoring the lowest 4 of 6 scores recorded for each team. Teams may play with only four players.
8. All MCAL play will include a double par +2 system for each hole played. Once a player reaches double par plus two and has not holed out, that player shall pick-up and scores a double par +2 on the hole. (i.e.: on a par 4, the player would write down 10 on the score sheet and circle it to indicate that they had picked up on the hole.) If a player holed out with a score of double par +2 that player would not have to circle the score indicating that the player holed out and did not pick up. A player no longer has to declare a double par +1 since league play is now double par +2 for all.
9. In case of a tie, the team with the lowest sixth score wins. If after six scores are used, the teams remain tied, the scorecards of the players listed in the number one position will be compared starting with the first handicap hole and proceeding hole-by-hole until one player has a lower score on a hole. If there is still a tie, the same procedure is applied to the second, third, fourth, fifth, and sixth player until the tie is broken.
10. Players are to exchange scorecards with their opponents before their group tees off. Players **MUST** check scores at the end of each hole. Upon completion of the round, the competitor and their marker will compare scorecards for discrepancies. If the competitor and the marker cannot resolve discrepancies, both coaches are to be advised of the situation and, after discussion, make a ruling. Once the scorer signs the card and it is attested, the score is considered final. No further protests or rulings will be allowed.
11. The school’s head coach or person appointed by the head coach may speak/coach with their players, without delay of play between a green completed and the next te. This regulation should be applied with the following procedure: All players should be “holed out” before any coach speaks to a player and discussion should end when the first player is ready to tee off on the next tee. **Note: Information on the Rules of Golf is not considered to be advice. (8/27/08)**
12. No electronic devices (cell phones, range finders, etc.) may be used during a match. A player/coach who does so may risk being disqualified.
13. Forfeits. A team, which does not show up for a scheduled match, will be deemed to have forfeited the match. A team, which shows up with less than five players, will be deemed to have lost the match but the match will be played with those players available eligible for individual scoring.

14. Players are responsible for knowing the rules of golf and for scoring correctly. Players will sign the following statement prior to the first league match and a copy will be forwarded to the league office.
 "I understand that, under USGA rules, attesting an incorrect score can result in disqualification of the competitor from the match. I also understand, under MCAL rules, scoring incorrectly for an opponent may result in disqualification of the scorer from the match." A form with the above will be handed out to all coaches at the preseason meeting (pg. 18b of this section).
15. FOR GIRLS ONLY: To make all local rules consistent, play everything as an out of bounds hazard as a lateral drop point of entry during league play. Return to the Rules of Golf for the MCAL Tournament.
16. If a player is disqualified from two matches in a season he/she is excluded from postseason participation.

506 CHAMPIONSHIP

1. All teams with a win/loss ratio of 500 or better will advance to the MCAL championship tournament. (1/11/10) Additionally, any non-qualifying team may send one golfer to the tournament. (4/30/06)
2. Teams, which have forfeited a league match during the season, are ineligible to participate, as a team, in the league tournament.
3. Winner of the MCAL automatically advances to TOC. MCAL 2nd place team will automatically be NCS qualifier. And all others may apply for an at large berth to the NCS Tournament.
4. The top three individuals not on a qualifying team will qualify for the NCS regional tournament.
5. All ties in team competition will be broken according to section 505, paragraph 8. In the event of a tie between two or more individuals for the last qualifying berth to the NCS regional or NCS section tournament, the players tied shall have a sudden death playoff, for that final position only, starting on the 1st hole and continuing only until the tie(s) is/are broken. If time does not permit a playoff, the last nine holes will be compared, if a tie still exists the last six holes are compared, if a tie still exists the last three holes are compared. If a tie still exists the last hole will determine the winner.
6. In the MCAL championship, the tournament committee will determine the conditions of play.
7. During the league tournament, coaches/school officials will marshal the competition. Order of assignments will be drawn by lot. Coaches may serve as the tournament committee but coaches will not serve as members of the rules committee.(5/30/07)
8. Rotation of sites for the play-offs will be the same for boy's & girl's seasons:
 School Year
 208-2019 Peacock Gap 2015-2016 Napa course TBA

507 AWARDS AND PENNANTS

1. After completion of the regular season, the team with the best record will receive the league championship pennant. If two teams have the same won/loss record, the tie will be broken by head to head competition between the teams. If a tie remains, the tie will be broken by comparing total strokes of the scoring players in the head-to-head match(es) will be totaled. The team with the lowest stroke total will receive the pennant for being the round robin champion. If teams are tied, both teams will be declared co-champions and receive a pennant. If the winner of the championship tournament is a different team than the round robin winner, a pennant will be awarded to that winner also.

508 ALL LEAGUE

1. To determine the Player of the Year and 1st and 2nd Team All League honorees the average strokes over the course rating method will be used. The number of strokes over/under the course rating for each course played a competitor totals during the round robin competition will be divided by the number of league matches the competitor participated in.
2. Averages will be calculated and the players with the lowest average (rounded to two decimal places) will be the Player of the Year. The next six lowest averages, plus ties, will be first team all-league. The next lowest six players and ties will be second team all-league. In addition, each coach may add one player to the honorable mention category. (5/30/07)
3. In order to be eligible for all-league and Player of the Year honors, a player must play in at least ten league matches.

2. A team must have the opportunity to win so there must be 8 players to constitute a team. This means that the team then would cover 14 individual events plus an additional person needed to cover both relays.
3. For league meets schools have unlimited entries into events. There will be second heats if needed in the lane races (100m, 200m, 400 m). Coaches MUST communicate two days prior to a scheduled meet regarding the number of entries they expect to have to adjust the time schedule accordingly. Only the first heat counts for scoring purposes.
4. Schools can be entered in varsity girls or boys competition. A school may enter up to six (6) entries per event for all competition if no qualifying event is required.
5. The three way meets are to be “inclusive” which means unlimited entries and surely a few non-scoring heats.
6. All entry cards for the League meet must be turned in at the beginning of the seeding meeting, and no switching, substituting or any other changes are permitted after this time unless there is unanimous agreement among all head coaches in attendance.
7. All running events in the League meet are run over metric distances, and the marks on the entry cards should reflect this fact.
8. No track event shall be held up for a contestant who is competing in a field event.
9. Before leaving the site of a track meet, all coaches should verify the results of the meet. By the second day following a dual or triangular meet, the host school shall send out via email or USPS the results of the meet to the other League coaches so that the other coaches receive a hard copy of the results no later than the following Monday. The results are to indicate the marks of all athletes listed, not just the winners. In case of meets made up on Monday or Tuesday, the host coach should have copies of the results available the following day for coaches who request them.
10. In dual meets the visiting teams in hurdling events will have three lanes of hurdles in all hurdling events.
11. In three way meets, the lane races (100m, 200m, & 400m) in the first heat for schools with 8 lanes, each school is allowed two lanes each. The next two lanes are allotted to the next two runners (one per school) determined by the best incoming marks.
12. In no case will marks made in second heats count in the scoring of the meet.

14. The uniform rules for the MCAL track meets are the same as the rules found in the National Federation Rule-book.
 15. There shall be no coaching of athletes in the field event areas. If a coach wishes to instruct an athlete, it must be done away from the pit area.
 16. In MCAL dual and triangular meets the long jump and the triple jump are to be run in an "open pit" manner for all three divisions. Each athlete is given four jumps. The long jump begins with the start of the meet and concludes with the start of the varsity boys' 100m. No jumps are permitted after this time whether or not a competitor has completed his/her jumps. The triple jump begins at this time and concludes with the start of the varsity boys' mile relay. The same rules apply to the triple jump.
 17. The meet director must see to it that all running and field events begin on time.
 18. In MCAL dual and triangular meets each competitor in the shot and discus is allowed four throws; there are no finals.

 20. Host schools must furnish an adult starter.
 21. All implements to be used in a league trial & finals are to be weighed and approved..
 22. Markers may be used in the discus for dual and triangular meets. In the MCAL trials and finals every throw should be measured individually.
 23. The host school is to provide .32 caliber pistols and black powder blanks. Visiting schools, which do not host triangular meets, should provide the host schools with blanks on a rotating basis.
 24. Although the home school must furnish enough starting blocks for all participants, it is recommended that visiting schools bring their own.
