1207 TIE-BREAKING INFORMATION

Basic format used in the order that it appears:

1. *Head to head competition (Winning percentage)*

2. *Record above the tie (Winning percentage)*

3. *If a tie still exists between any two places. ...use numbers drawn for place**

If two teams are tied for a play-off position EXCEPT for 4th place, the above criteria is used.

If more than two teams are tied for a play-off position EXCEPT for the 4th place, the above criteria will be used to seed a team. Once a team is seeded, the above criteria will start over between the remaining tied teams.

For the final play-off spot if two teams are tied:

There will be a play in game to the play-offs if there is no head to head (2-0) advantage except in single round sports, where the one head to head will be used.

a. *host is the highest draw number*

b. *admission would be charged as it is a play-off contest*

If more than two teams are tied for the last positions, 1 & 2 above will be used to break the three way tie to qualify the first play in game team. If the tie is not broken between the three teams using 1 & 2 above, then the draw numbers will be used to place the first team into the play in game.

The criteria will start OVER to determine the second play in team.

In the case of more than three way tie for more than one spot which includes the 4th position. The criteria will be used to break the tie seeding one team. The criteria will start OVER again to complete the tournament using the criteria as stated previously.

- *Numbers are drawn each spring for each school for each season of sport. It has been determined that a low number (1,2,3...) would be the top. The top number has priority!*

1208 AWARDS & PENNANTS

After completion of the regular season play, the team with the best record will receive a pennant. If the winner of the play-offs is a different team than the round robin winner, a pennant will be awarded to that winner also.
